

Enchantia™ Cuphea

Heat and drought-tolerant cuphea offers excellent Summer performance. A season extender in southern regions with warmer Summers. It provides a wider range of color, has better branching and offers more flower power than standard Cuphea Allyson Heather. A great pollinator attractor!

General & Information

Height:	Spread:	Exposure:
10-14" (25-36cm)	12-16" (30-41cm)	Partial Sun, Sun
