

Ball FloraPlant Varieties Named Best Plants at North America Flower Trials

11/3/2022

Add these must-have flowers to your 2023 selling season.

Ball FloraPlant impressed Plant Trials across North America with varieties showcasing the best genetics. Check out the hottest picks to add to your next program. For more information and availability, contact your Ball Seed sales rep or Ball ColorLink associate at 800 879-BALL, or [order on WebTrack](#) today!

Petunia SureShot Blue Vein

Lucas Open House 7/27/2022

SureShot Blue Vein wowed growers across the North America trials. With consistent performance, bloom size, flowering time, and stunning coloring, surely it should be part of your grow out.

Petunia SureShot Blueberries & Cream

West Chicago 8/15/2022

SureShot Blueberries & Cream was both a performance powerhouse and a stunning novelty, leaving all of North America craving more.

Angelonia AngelDance

Fessler Oregon 8/18/2022

West Chicago 7/21/2022 (AngelDance Violet Bicolor, Lantana Landmark

Gold Improved, Scaevola Blue Brilliance)

Growers were mesmerized by **Angelonia AngelDance** varieties Violet Bicolor and Fuchsia Bicolor. Both with a unique bicolor, robust habit and branching engineered to dance in the wind, these varieties were downright heavenly in the flower trials.

Petunia ColorRush Pink Star

Fessler Oregon August

ColorRush Pink Star didn't disappoint and was a trial favorite in pots, hanging baskets, as well as the landscape. The results were all-around flower power.

Calibrachoa Cha-Cha

Colorado State Trials 8/2/2022

Costa Miami Week 10

North American trials had a bit of pep in their step while growing out the [Cha-Cha series](#). Varieties Yellow and Red Kiss danced their way to the top of their class at trials.

Petunia Bee's Knees

Aidrie Alberta 8/22/2022

For the second year in a row, trials across North America were buzzing with excitement over **Bee's Knees**. The AAS Gold Medal Winner with lush yellow blooms is second to none.
