

Take Our 2024 California Spring Trials 3D Tour

3/25/2024

If you missed CAST24, we've got you covered! Browse our virtual tour online.

Ball FloraPlant launched an **amazing group of new plants** for 2025 retail sales. We hope all our guests enjoyed our California Spring Trials event in Santa Paula. Some of the highlights included:

Solera Interspecific Geraniums

Ageratum Monarch Magic

Angelonia AngelFlare and Guardian Angel

Plus NEW MixMasters and Trix

But if you were unable to travel to the west coast this year, don't worry! The Ball FloraPlant team captured our greenhouse and outdoor spaces in full 3D for your home-viewing pleasure. Explore our virtual tours below and tag us on social media **@ball.floraplant** with varieties you're most excited about adding to your next program.
