

Learn More About Our Tropica Mandevilla

5/6/2024

The former Diamantina collection of Mandevilla is now available from Ball FloraPlant

Get ready for the best summer of your life with a new collection of trending, tropical plants!

Ball FloraPlant has rebranded the Diamantina line and now offers Tropica™ Mandevilla. All varieties of Tropica are available from our Las Limas farm and are delivered through the Ball FloraPlant dependable supply chain.

<u>Download our latest sell sheet</u> for an introduction to our collections and categories.

Contact your Ball Seed sales representative with any questions, or check live availability on WebTrack.
