

FlameThrower™ Coleus

The stunning colors and patterns thrive in full sun and shade. Versatile, premium varieties are very late to never-flowering. Low-maintenance, high-impact plants are perfect for large pot programs and landscaping. Compact-to-medium coleus features bold foliage colors ideal for small pots and mixed containers. Its uniquely colored and shaped leaves add texture in the garden and containers.

Exciting burgundy/red color addition is similar in habit to Habanero on the vigorous end of the series.
