

SunPatiens® Spreading Interspecific Impatiens

Provides twice as much coverage and color as standard bedding plants.
Plants get better looking the longer they're in the garden.
Robust, disease-resistant variety performs right up until hard frost, with nonstop color.

SunPatiens offers mixes containing three colors that have been trialed and proven to grow well together. The components are packaged and shipped together, so you can stick them in the same container to create these sensational color combos. Contains Compact Royal Magenta, Vigorous Pink Kiss and Vigorous Shell Pink impatiens. SUNPATIENS is bred by Sakata. SUNPATIENS is a registered trademark of Sakata.
