Guardian Angel™

30% taller and more vigorous than Archangel™.
Huge flowers and glossy, dark green leaves on tall stems.
Thrives in extreme heat and humidity.
Tall for back of the border in landscapes and gardens.
Upright habit is ideal as a thriller for mixes.

Earlier to flower than other vigorous angelonia on the market, with extra-large blooms and full coverage. A great color addition that mixes well with blue and pink shades. Offers good in-ground performance, with excellent branching.
