

- This series of bacopa is notable for its well-branched habits, large flowers and improved heat performance.
- Controlled habit is grower-friendly and offers better centerfill than other bacopa.
- Largest flower size in the industry, with showy blooms that cover the plant, driving impulse sales at retail.

Better branching and flower power than the competition in a popular light purple color.

General & Information

Height: Spread: Exposure:
4-6" (10-15cm) 12-18" (30-46cm) Sun
