## **Lavender Dreams**

Compact – 30% smaller than the leading vegetative variety. Won't take over in the garden.
Soft thorns make it easier to handle and ship.

Heat and drought tolerant. Lasts until first frost.

Butterflies, bees and hummingbirds love it!

General & Information

Height: Spread: Exposure:

20-32" (51-81cm) 12-18" (30-46cm)
