

Spitfire

- Stunning colors and patterns for full sun and shade.
- Versatile, premium varieties are very late to never-flowering.
- Low-maintenance, high-impact plants are perfect for small pots and decorative container mixes.

Holds its color very well in full sun or shade, and is very late to flower. Plant is self-branching, so no pinch or PGRs are needed. Versatile for use in combos, containers and landscape borders, and great for urban gardeners' balconies or small patios.
