

- Perfect for premium pots and 10-in. (25-cm) hanging baskets, CannonBall offers excellent uniformity in habit and timing across all colors.
- Tolerates the cold for early-Spring sales, and excellent for cold-finishing programs.
- Compact habit makes it easy to grow for pot-tight production.
- The series is early to flower, and all colors finish within a week of each other.
- Plants feature good branching and don't require pinch or PGRs.

General & Information

Height: Spread: Exposure:
6-8" (15-20cm) 8-12" (20-30cm) Sun

Propagation Guide

Tray Sizes	Rooting	Average Days	Pinch:	Average Propagation	Comments:
(cells/tray):	Hormone:	with Mist:	No	Time (weeks):	Avoid stretch by moving crop to cooler air temperature in second and third weeks of propagation. Transplant on time.
