## CannonBall™

Perfect for premium pots and 10-in. (25-cm) hanging baskets.

Uniform habit and timing.
Cold tolerance for early-Spring sales.
Excellent for cold-finishing programs.
Compact habit for pot-tight production.

Early flowering.

All colors finish within a week of each other.

Good branching without pinch or PGRs for growers looking for lower maintenance petunias.

Improved for higher quality foliage appearance and to better match the series in habit and timing.
