EnduraScape™

750-1,000 ppm tank mix(S)

and ethephon(S) 250-300 ppm to control growth and improve plant habit.

normal conditions.

Hardy through the hottest days of Summer. Takes the cold down to the low teens and still reblooms in Spring. Lasting color in landscapes. Wide range of colors. Superior branching. Full habit and high bloom count in gallons. Excellent powdery mildew resistance.

Excellent habit that matches Pink Bicolor, with the same great performance.
