

- Flowers one week earlier than other upright verbena on the market
- Compared to the competition, this verbena has the most uniform habit across the series.
- Features the same heat performance as EnduraScapeTM in a compact patio-pot habit.
- All colors can be treated the same culturally.
- Proven superior powdery mildew resistance when compared to the competition.
- Ideal for quart and high-density, pot-tight production, as they won't tangle on the bench.
