Cabaret[®]

10- to 12-inch (25- to 30-cm) Tubs or Baskets:

Best-performing lineup of solid colors and bicolors with early flowering. Most flower with a 10.5-hour day length. Stays open and in flower under low light. Early flowering; target production weeks prior to Week 5 (South) and Wook 14 (North).

Week 14 (North).

Works well in 4.5 to 6-in. (11 to 15-cm) pots up to large baskets.

Novelty addition to the Cabaret series. Deep purple shimmering flowers have an interesting star pattern.
