## SunPatiens® Compact

Tolerates all weather, from Spring through hard frost. Loves sun and shade.

Bed for small pot production and disease resistance.

Exceptional outdoor performance.

Mix components are packaged and shipped together.

Stick them in the same container to create sensational color combos.

Early to bloom, light pink flowers with red highlights contrast nicely against dark bronze foliage, for a strong show at retail. SUNPATIENS is bred by Sakata. SUNPATIENS is a registered trademark of Sakata.
