

# SuperCal®

Best of petunias and calibrachoas combined.  
Vibrant colors, large blooms and high pH tolerance.  
Early flowering.  
Grow cool for cost efficiency.  
Excellent heat and weather tolerance.  
Mix is trialed and proven to grow well together.  
Stick the components in the same container to create sensational color combos.  
SUPERCAL is bred by Sakata. SUPERCAL is a registered trademark of Sakata.

## General & Information

| Height:          | Spread:          | Exposure: |
|------------------|------------------|-----------|
| 14-28" (36-71cm) | 14-32" (36-81cm) | Sun       |

## Propagation Guide
