

- The best characteristics of petunias and calibrachos, in one exceptional collection.
- Unique, vibrant colors, large blooms and high pH tolerance.
- Early-flowering varieties can be grown cool for cost-efficient production.
- Excellent heat tolerance and weather recovery.

SuperCal offers 3-color mixes that have been trialed and proven to grow well together. The components are packaged and shipped together, so you can stick them in the same container to create these sensational color combos. Garden Magic Mix contains Blue, Light Yellow and Royal Red petchoa. SUPERCAL is bred by Sakata. SUPERCAL is a registered trademark of Sakata.
